PROFESSIONAL EXPERIENCE

Senior Account Executive | ChargeAutomation

Sep 2023 – Present | Remote | Hospitality payments & guest-experience SaaS

- **Closed 491 new customer accounts covering 10,000+ properties**; 295 converted to paid subscriptions and the rest generate usage-based transaction revenue.
- **Generated $189K in new ARR in 2026 YTD** from 95+ new accounts (2,500 properties), already above the $154K annual average delivered in 2024 and 2025.
- **Proposed a feature-based subscription and transaction-pricing model**, rolled out with Product in early 2024; revenue hit a monthly record the next month and is now 4.5x the early-2024 level.
- Deliver **15–20 tailored product demos per week** and manage a full pipeline from same-week closes to 3-month, multi-stakeholder sales cycles involving payment gateways, PMS platforms and partners.
- Sourced and qualified payment partners **Peach Payments, DPO, Tilopay and CXPay**; the resulting integrations helped enable **150 customer wins** company-wide across Africa and the Caribbean.
- **Built AI-powered sales workflows with Claude** connected to Zoho CRM, Intercom, Slack and Gmail, automating sign-up processing, meeting reminders, follow-up drafts and sales reporting.
- Built the sales function from zero: pipeline stages, Zoho CRM workflows, outreach sequences, proposals and demo decks. Now onboard and coach new sales hires on live calls.

Strategic Partnership Manager | G1ANT

Jul 2022 – Jun 2023 | Poland | Robotic process automation (RPA) software

- **Signed 10 technology partners** across India, Ukraine and Poland, building partner-led pipeline for G1ANT Studio.
- Ran discovery with clients in the US, UK, Europe and Africa and turned requirements into RPA solution proposals.
- Supported delivery of complex projects, including one that **automated 29 of 37 trading strategies** and another that cut vehicle-listing work to **a single approval step**.

Senior Business Development & Sales Manager | Avidi Technologies

2017 – 2022 | Ukraine | Custom software development | Promoted from Business Development Manager

- Owned the full sales cycle for custom CRMs, mobile apps, trading platforms and bespoke software, winning clients in the US, UK, Europe and Africa through outreach, proposals, negotiation and on-site visits.
- **Closed 15+ major development contracts worth $20K+ each**, plus smaller projects and recurring maintenance agreements.
- **Won an $80K build plus a $5K/month retainer** with a UK waste-management firm for route optimisation.
- **Promoted to lead two Business Development Managers** and trained two lead generators on qualification and prospecting.
